Dear Parents,

CVA will begin accepting enrollment applications for next fall, the 2012-2013 school year. We want to also share with you how priority enrollment works so you can plan appropriately for any incoming students you want to enroll with CVA.

- 1st Priority applies to new incoming students who currently have a sibling enrolled with CVA.
- 2nd Priority applies to incoming kindergarteners who are currently enrolled in CVA Preschool.
- 3rd Priority applies to any new incoming students without current ties to CVA.

Very Important: To maintain priority status, you must have your application turned in to the school by January 30th 2012. AND, if you are applying for kindergarten and have a child currently enrolled in the CVA Preschool program, you must also have attended a new enrollment meeting by January 30th 2012. Once we have received the proper paper work and you have attended an enrollment meeting, your application will be eligible for the lottery on Tuesday, January 31st. If these two requirements are not met by January 30th, priority status no longer applies. Please contact Tina @ the front desk to schedule an appointment for an enrollment meeting, 303-774-9555.

Our monthly lotteries will be held on the last Friday of each month for applications turned in after January 30th 2012.

There is a \$50.00 non-refundable registration fee due with each application for new families and kindergarten applications.

Full Day Kindergarten tuition is \$300.00 per month, due on the 1st of each month. There is no pro-rated tuition for any months.

If you have any questions, please contact Stephanie Kajcienski @ kajcienskis@cvamail.com or @ 303-774-9555 ext. 115.
